Angel Flight NE

Rev. Larry Camerlin, *Founder*

Angel Flight Northeast was founded by Fr. Larry Camerlin, an avid pilot and retired business owner who has dedicated his professional career to the healthcare field. He knew he wanted to find a way to give back to the community and support those in need of accessing life-saving medical care.

Prior to founding Angel Flight Northeast, Fr. Larry was the Founder, President and CEO of a Greater Boston ambulance service. Under his direction and guidance, the company grew from a fleet of two ambulances and a staff of four to over 235 employees and a fleet of more than 70 ambulances and wheelchair vans into one of the most highly-respected emergency medical services organizations in Massachusetts by establishing a unique ministry of caring for the sick and injured. Fr. Larry began his priestly ministry in 1965 as a Franciscan Friar primarily within healthcare and hospital settings. Leaving the Franciscan Order to marry and have a family, he is currently serving as a Catholic Priest within the Medical Missionaries of St. Francis, New England Province. Fr. Larry holds a B.A. in Philosophy and M.Div. in Pastoral Ministry.

Nick Gregory *Chairman of the Board*

Nick Gregory, a 20+ year licensed pilot and flight instructor, joined Angel Flight NE in 1997 as a volunteer pilot and was appointed the organization's Chairman of the Board in 2019. Nick is an American Emmy Award Winning Chief Meteorologist for Fox 5 NY for 30+ years bringing the weather to viewers during the 5, 6 and 10PM newscasts. Before joining FOX 5 News, Gregory served as the morning meteorologist for CNN in Atlanta, Georgia. Prior to CNN, he served as a meteorologist for WTLV-Channel 12 (ABC) in Jacksonville, FL. Nick has been honored with several awards over the course of his career including the AMS Seal of Approval for Excellence in Television Weathercasting and both the "New York Post" and the "Daily News" have named him the most accurate weather forecaster in NYC. Nick participates in several charities and is also very involved in the community visiting schools all across the tri-state area. In recognition of his commitment to the community, he has been awarded the NYC Comptroller's Award for outstanding community service. A graduate of Lyndon State College in Lyndonville, VT, Gregory holds a bachelor's degree in meteorology.

Celebrity Host

Erika Tarantal

Anchor and
Reporter, WCVB
Channel 5

Emmy Award winning journalist Erika Tarantal joined WCVB Channel 5 as an anchor and reporter for NewsCenter 5 in February 2014. Erika co-anchors WCVB's NewsCenter 5 at 5PM and 5:30PM.

In addition, Erika is a contributing reporter for WCVB's iconic local news magazine,

Chronicle, and champions WCVB's recurring "5 For Good" stories, the station's ongoing effort to highlight people helping others in communities across Massachusetts. In 2017, Erika's "5 for Good" story entitled "Food Truck Fighting Hunger" was awarded a prestigious national Gracie Award by The Alliance for Women in Media (AWM). The story profiled a local couple whose food truck, Daniel's Table, serves up thousands of meals each week using proceeds from the cafe that they own in order to stamp out hunger in their hometown.

Erika came to WCVB from News 4 New York, NBC's flagship station in New York City, where she anchored the weekend newscast and was a primary fill-in co-anchor for WNBC's weekday morning newscast, "Today in New York." She has reported on major stories ranging from the death of Pope John Paul II and the election of Pope Benedict, to hours of coverage during Superstorm Sandy, and the tragic shootings in Newtown, CT.

Erika joined News 4 New York as a general assignment reporter in December 2007. Prior to joining NBC4, Erika served as a weekend anchor and general assignment reporter at WVIT-TV in Hartford, CT beginning in October 2005. Prior to that, Erika rose through the ranks at News 12 in the Bronx where she started as a general assignment reporter before being promoted to anchor of the station's weekday morning newscast. Erika also served as a production assistant at WHDH-TV in Boston. Before beginning her career in broadcasting, Erika was a paralegal for the Office of the Attorney General in Boston.

Erika graduated from Connecticut College where she earned a bachelor's degree in government.

Billy Costa

Award-Winning Radio & Television Personality

Emmy award-winning Billy Costa can be heard on KISS 108-FM, an iHeartMedia Station, in Boston serving as a co-host of Billy & Lisa in the Morning Show. He also hosts the KISS Top 30 Countdown and the host of “Meet Boston with Billy & Jenny” on NESN. He and co-host Jenny Johnson currently star on Dining Playbook, a 30-minute show that combines two of New England’s favorite

pastimes ~ food & sports. Billy is very committed to the Boston Community and works with many nonprofits to raise much needed funds.

2024 Evening of Angels

About Angel Flight NE

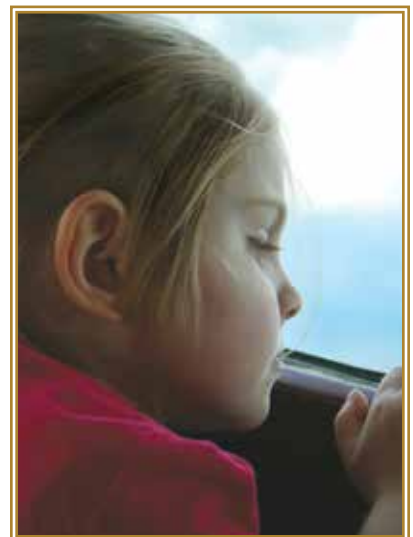

What Is Angel Flight and Who Are Our Patients?

Angel Flight NE arranges free air transportation for patients and their families requiring life-saving medical treatment far from their homes and who, due to financial, inaccessibility, and/or physical limitations cannot use commercial air transportation. Angel Flight NE also transports organs for transplant. We also provide compassion flights to family members who are supporting other members of the family in need of medical care or for other humanitarian and compelling reasons. Founded in 1996 by Larry Camerlin, Angel Flight NE operates under FAA rules and regulations. Our Mission Coordinators have scheduled 108,000+ patient/companion missions and our 450+ Volunteer Pilots and airlines partners have flown over 16 million miles. As well, our 200+ Earth Angels are there to greet the patients and their families with open arms and transport them to and from their destinations. Approximately 40% of our patients are children suffering from cancer, severe burns, crippling diseases or are in need of surgery. Our missions are routinely flown throughout New England, New Jersey, New York and Pennsylvania, but frequently our pilots make trips into an additional fifteen states and eastern Canada.

What Is Our Mission?

To facilitate access to healthcare by arranging free air transportation using private aircrafts flown by volunteer pilots. Service is provided on a non-emergency basis for medically stable and ambulatory patients and their families. Emergency flights are reserved strictly for organ transplant patients, or other compassionate needs.

About Angel Flight *NE*

How Do We Do What We Do?

Angel Flight NE is largely a volunteer organization. Over 450 active volunteer pilots donate their time, flying skills, fuel and resources. Earth Angels provide ground transportation for our patients to and from hospitals using their own private vehicles. On average, pilots annually contribute over \$4 million dollars of donated services. Individuals and corporations have given Angel Flight over one million dollars worth of in-kind donations. Our small staff runs the day-to-day operations of the organization. The Airport Commission of the City of Lawrence, Mass. provided a 15 year lease with Angel Flight NE for our headquarters at the Lawrence Municipal Airport in North Andover.

How Well Do We Do It?

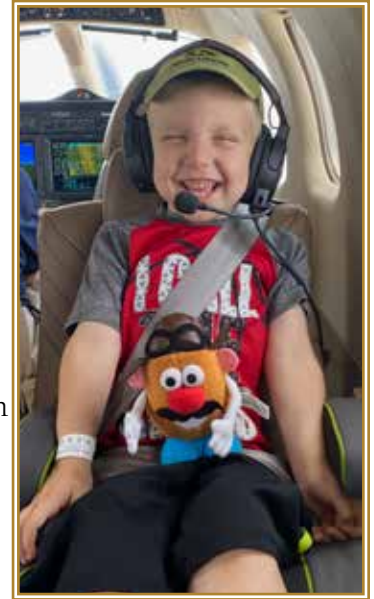

Angel Flight NE has significantly improved access to healthcare for thousands of people. We were named the 2010 Family Advocate of the Year by Boston Parents Paper. In 1999, we received “The Special Lewis Hine Award for Innovation in the Service of Children” by the National Child Labor Committee. Angel Flight NE’s Founder and President, Larry Camerlin, was recognized with the “Hero Among Us” Award by the Boston Celtics and Boston Globe. Camerlin was also named “America’s Finest Public Benefit Flying Executive of the Year” by the Air Care Alliance in 1998. Angel Flight NE was also awarded the “National George Washington Medal of Honor” by the Freedom Foundation in 1997 and the “Humanitarian of the Year Award” in 1996 presented by the New England Chapter of the American Association of Airport Executives.

2024 Evening of Angels

About Angel Flight NE

In 2024, Angel Flight NE celebrated its 28th year of service. We have been featured on The Today Show, CNN Headline News, ABC's Good Morning America, CBS' The Early Show, Fox News and on CNBC. Regionally, we have been featured on news broadcasts including Boston's ABC, NBC and CBS affiliates, New England Cable News, Channel 5 in Bangor, Maine, Channel 12, Channel 6 and Fox News in Providence, RI, and Channel 9 in Manchester, NH. Special presentations of Angel Flight have also been on WGBH Public Television and WCVB's "Chronicle". In Boston Magazine's Best of Boston edition, they named Angel Flight a "Boston Cares About Boston" beneficiary.

What Can You Do?

A catastrophic illness can quickly exhaust a family's financial resources. Your donation to Angel Flight NE will make a profound difference in helping to ease one of the burdens that contributes to a family's hardship – transportation to receive diagnosis and life-saving treatment.

Even with the wonderful generosity of volunteers, Angel Flight NE must maintain and fund an extensive ground operation. Your donation helps with:

- ✦ Flight Coordination: Our Mission Coordinators process and manage all patient flights and are accessible 24 hours a day, 365 days a year.
- ✦ Pilot Resource Management: Our Angel Flight NE pilots are supported by a staff who disseminate flight, airport advisories and safety information, as well as manage pilot recruitment, orientation and credentialing.
- ✦ Flight Safety: Angel Flight NE provides ongoing safety information, periodic flight checks and group meetings for discussions on important flight issues.
- ✦ Outreach: Reaching out to those who may need our assistance requires maintaining ongoing communications with the medical institutions throughout the Northeast.
- ✦ Technology: Mission coordination and flight operations at Angel Flight demands the need for up-to-date technology.

*On behalf of everyone at
Angel Flight NE,
we wish you a very
Happy Thanksgiving!*

GENEROUS SUPPORTERS OF ANGEL FLIGHT NE

We are excited to share some wonderful news! Angel Flight NE had the privilege of receiving generous support from RB Racing Charity through their RB Racing for a Cure Golf Tournament held on June 3rd. Through their support, we were able to provide 160 flights of healing and hope.

This incredible event, organized by Paula B. and the RB Racing Charity team, was created to honor Ron Bouchard, celebrating his legacy of generosity and passion for golf.

The tournament was a huge success, bringing together an amazing community dedicated to our mission of providing free air transportation to patients in need.

Paula of the RB Racing Charity shared the following:

"The RB Racing Charity was established to preserve Ron Bouchard's legacy; by encompassing the way he embraced his community, his love of life, his generosity, and impact on everyone around him. Undoubtedly, Cancer has impacted every one of us. Most of us have seen a loved one or a friend struggle through this unrelenting battle. We are honored to be partnering with Angel Flight NE. A worthy cause that makes a positive impact on patients and their families by helping to coordinate more than 160 flights of healing and hope for patients-children & adults- and families who need FREE air transportation to access life-saving medical care and treatment. Allowing them to focus on what is important, getting well."
